

Friends and Family,

Happy Thanksgiving! During a season designed to give thanks, I want to personally thank you for supporting Wild Bill's Warriors. With your incredible generosity, we got within striking distance of our fundraising goal, which is just awesome. Mark your calendar . . . the 2025 Copper Triangle Ride is on August 2nd. I would love to share this special ride with more friends!

The Halcott circus is spending Thanksgiving week in Nicaragua and then headed back to Park City to start ski season. Everyone is pumped. Marie will ski at both Utah Olympic Park and Deer Valley this winter, training with Park City Ski and Snowboard in their Skills and Drills Program. Will has set a goal of 100 days of skiing this year. If anyone is planning on skiing Deer Valley and would like a guide, let me know. He will trade his knowledge of the chutes and powder stashes for cookies and hot chocolate. Evie is ready to rip this winter, with the end goal of being faster than Will (our family isn't competitive or anything). Theo will reach the ripe old age of two on the first of December, which means it's time to learn to ski! Don't worry, we are ready. We've stocked up on gummy bears and chocolates; it's going to be fun! Jennie is enjoying the second straight year of not being pregnant or with a newborn and making the most of the "extra" time. She plans to Nordic ski this winter with the Park City Nordic Betties, a women's ski league. Jennie and I are also excited to sneak in some ski dates this season.

Professionally, Seva Dental has continued its rapid growth and Providus closed on our first partnership. We partnered with McMillan Pazdan Smith, an architecture firm based in Greenville, SC.

If you know of great architecture firms looking for help with transition planning, please let me know. Personally, I have also started my preparation for the Leadville 100 mountain bike ride. I have been waiting for this ride for a long time and am excited to get into the training routine to try and conquer this beast. Jennie might even be more excited than me for the long rides (ha ha)!!

Thank you as always for your support of Wild Bill's Warriors. As I mentioned we were within striking distance of your fundraising goal and can always use extra support! If you have not had a chance to support the cause yet, please visit <http://www.wildbillswarriors.org/>.

Happy Thanksgiving to you and yours,

Be Wild!!!
